# Answer When We Call, Lord Jesus

---

Answer when we call, Lord Jesus, source of all our righteousness;  
bend your holy ear, relieve us from all terror, all distress.  
Lord, receive our prayers for rescue; with your grace, come save and bless.

Wicked men reproach and scorn us, loving what is vile and vain;  
God, in mercy, shields, adorns us through the Savior's blood and pain.  
Jesus Christ, who bought and bore us, hear our cries for help again.

Should our anger flare, we'll sin not; meditate, be still, and rest;  
turn our hearts to God, begin not trusting in our righteousness.  
By our Savior from sin ransomed, trusting him to save and bless.

Wicked men may scorn and try us, casting doubt upon God's grace;  
send your Spirit, Lord, to shield us till we see your glorious face.  
You who through your Son redeemed us, fill our hearts with joy and grace.

Safe in your peace, let us lie, Lord; keep us in your love and care;  
rooted in your strong and wise Word, may we find your comfort there.  
Guard and keep us till we die, Lord; go before us everywhere.
