

Let Us Sing a Song of Peace

BY TERRY W. YORK

Let us sing a song of peace
that will not fade away,
a song of peace that grips our hearts
and sings in all we do and say.

Let us pray a prayer for peace
that goes beyond, "Amen,"
a living, loving, lasting prayer
that's prayed for always and again.

Let us live each day for peace
against each type of war
that takes from those who have the least
and gives to those with most, much more.

Let us praise the Prince of Peace
with actions He would claim,
forsaking modern-day crusades
that break commandments in His name.
