# In Their Speaking, Art, and Writing

BY TERRY W. YORK

---

In their speaking, art, and writing,  
in their music, hear God's voice.  
Why composer, painter, poet,  
why the note and color choice?  
God has whispered, granted glances,  
to the prophets, who, then, show  
that life's dirges and life's dances  
harbor truth we need to know.

In their speaking, art, and writing,  
in their music, prophets know  
that their gifting has a calling;  
through their living it must flow.  
Ev'ry morning, in their waking,  
prophets hear, as being taught,  
words to bolster weak and weary;  
often, words they have not sought.

Back to old days for the new days,  
to the path from which we've strayed.  
With the truth before them always,  
preaching, painting, lest it fade.  
Call us forward, to the morning,  
lead us to God's promised day.  
Through the darkness, from our wand'ring,  
write and paint and sing the way.

In their speak-ing, art, and writ - ing, in their mu-sic, hear God's voice.

Why com-po-ser, paint-er, po - et, why the note and col - or choice?

God has whis-pered, grant-ed glan-ces, to the pro-phets, who then show

that life's dir-ges and life's dan-ces har-bor truth we need to know.
