
Gather Now around His Teachings

BY TERRY W. YORK

Gather now around his teachings,
gather now around the Word.
Hear him calling from the margin,
drawing us to be his own.

Hear the Master's hillside sermon:
peace and justice, mercy, love.
Will we let his teachings shape us?
Will his way become our prayer?

Quiet call heard through the shouting,
straight his path through culture's maze;
rule of life, to all, life giving:
Christ – the truth, the life, the way.

Common bread and wine and water,
common brother, savior, hope
bring uncommon transformation,
changing church to Christ on earth.
