# While on the Long Emmaus Road

BY DAVID W. MUSIC

---

While on the long Emmaus road,  
weighed down with grief and sorrow's load,  
in hopes their dreams would be restored  
the two disciples met the Lord.

Like them, we journey to refresh  
ourselves in spirit, heart, and flesh,  
to recreate ourselves, and find  
renewal of our soul and mind.

On pilgrimage we set apart—  
for worship, prayer, repose of heart—  
a holy place, and there pursue  
a faith restored, a love made new.

To distant lands our path may go  
to share with those who need to know  
the love of Jesus Christ, who came  
to pardon those who trust his name.

In all our travel, let us see  
the journey as a jubilee;  
our hopes refreshed, our dreams restored,  
for as we go, we take the Lord.
