C. DAVID BOLIN

Pil - grims on this earth - ly jour - ney, gift - ed all with dig - ni - ty,
 Blessed by gifts of one an - oth - er, man and wo - man, boy and girl,
 Ev - ery man, though each one dif - ferent, wears the sa - cred stamp of God;
 Cel - e - brate each per - son's pur - pose, bring - ing forth God's great de - sign.
 Broth - ers, sis - ters, in God's im - age, let us give each oth - er grace;

in God's im - age we are fash - ioned to be joined in u - ni - ty.
 we are made to help each oth - er grow toward whole - ness in the world.
 ev - ery wo - man, each dis - tinc - tive, bears in her the life of God.
 Praise the love that flows a - mong us, part - ners, col - leagues, friends through time.
 let us learn from one an - oth - er in this ho - ly wor - ship space.
